AMEND Senate Bill No. 3120*

House Bill No. 3402

by deleting subdivision (4) of Section 2 of the introduced bill and substituting instead the following:

(4) "Employee" means an individual eighteen (18) years of age or older or a person who is emancipated as defined in Section 39-11-106, who is employed by an employer and can provide written verification of having:

(A)

(1) Received a general equivalency diploma (GED) or a high school diploma; or

(2) Claimed or intending to claim at least one (1) dependent or personal exemption other than such individual on such individual's federal income tax return;

(B) The provisions of this subdivision (A)(1) shall not apply to individuals possessing a statement from a physician licensed in the state of Tennessee that such individual has a mental or physical disability that impedes the individual's ability to obtain a general equivalency diploma (GED) or a high school diploma;
